

TRACKER: COBRAEDGE

FUNCTIONAL DATA

The Consolidated Omnibus Reconciliation Act (**COBRA**) is a federal law that **requires an employer to offer employees with continuation of group benefits upon certain qualifying events.**

From providing the General Initial Notice upon enrollment in benefits to premium collection for COBRA participants, cobraEDGE takes the burden off these administrative tasks.

WHAT WE OFFER

- ✔ Mail or electronic distribution of required notices to employees.
- ✔ Electronic distribution provides employee access to the Compass portal and includes consent for electronic usage.
- ✔ Invoicing, collection and remittance of premiums by COBRA participants.

Technology

Our cloud-based technology uses CSIU FIS, which starts the algorithm process for product delivery. CSIU FIS Data Integration solves the challenge of manually manipulating data.
